State Ready To Reinstate US 77 Project In Cameron

Last Rites Held For Priest

Fr. O'Reilly Dies In New Orleans; Served Parish Here

The Rev. John Joseph O'Reilly, well-known Catholic priest in Milam County and Central Texas, was interred this morning in Assumption Cemetery, Austin, following high requiem mass at St. Edwards University Chapel, Austin.

He died Monday in a hospital in New Orleans, La., after an extended illness. He had been in New Orleans since July, 1953.

Rosary was recited at Marek-Burns Funeral Home 7:30 p.m. Tuesday followed by low mass Wednesday morning at St. Monica's Catholic Church with the Rev. George Duda officiating. Fr. O'Reilly was 84.

The Rt. Rev. L. J. Reicher, Austin was celebrant at the high mass assisted by the Rev. Clyde Holtman, Rockdale; the Rev. Harry Mazurkiewicz, La Grange; the Rev. Leonard Buxkemper, Westphalia; and the Rev. Alfred Kallus, Cameron, deacons.

Choir Sings

Brothers of St. Edward's University choir sang during the mass. Priests of the Dioces were pallbearers.

Fr. O'Reilly was born Oct. 23, 1873 in Kilanney, Ireland. He went to school in Kilanney and Balleymackney, Ireland. He came to New York with his parents where he studied at Mt. St. Mary's Seminary in Baltimore. He entered in August, 1908, the seminary at St. Leo, Fla., then moved to LaPorte, Texas to complete his studies.

In September, 1919, he was appointed administrator of St. Michael's Church, Burlington. He returned to Sacred Heart Church, Houston, where he served earlier as assistant pastor, in 1922 before starting St. Ann's parish, Houston.

Goes To Temple

In 1933 he was appointed chaplain of the Santa Fe Hospital in Temple. He then went to the Lott and Rosebud parishes where he served until 1948. He went to New Mexico, then returned in March, 1949, where he assisted Fr. Duda for two years at St. Monica's Church.

Fr. O'Reilly was a poet and writer. In 1936 he wrote and published a booklet, "Good Friday to Penecost Sunday" while in Temple.

TAKE AIM, FIRE — Sfc. Thomas Sheguit assists Cpl. Johnnie Marak during carbine practice at North Fort Hood. Two of the members of Cameron's Battery C, 649th AAA AW Bn, they and the rest of the battery were busy this week in specialist classes and on the rifle ranges as part of their two-week summer camp. The National Guard unit left Sunday for the post, joining with about 8,000 Texas Guardsmen for the annual training period.

Jackson Cites Work In Summer Program

Leo Jackson, director of the summer recreation program, today listed officials and sponsors of the various ball leagues and other sports in the program.

Jackson said that seating was needed for about 200 onlookers at the field.

Sponsors of Little League teams are: Indians by the National Guard, White Sox by Knights of Columbus, Yanks by the Kiwanis Club and Braves by the American Legion. Jackson said he would list managers and assistants with LL teams next week.

PONY League sponsors, teams and managers are: Rotary Cats, Pete Miller, manager, and Raymond Tepera and Kicker Swift, assistant managers; IOOF Colts, Tom Woods, manager, and Archie Mraz and Allen Dodson, assistant managers.

Jackson listed the following umpires and scorers in the Little League:

Monday—Lee Hollas, umpire and chief; Dean Kennon and Paul Young, base umpires; and Frank Heitman, scorer.

Friday—John Solomon, umpire and chief; Berney Dusek, Griffin Barrett and Howard McKissack, base umpires; and scorer, Gene Hays.

Umpires and scorers in the PONY League are:

Tuesday—Warren Rinn, umpire and chief; George Zarosky and Berney Dusek, base umpires.

Thursday—Bobby Elliot, umpire and chief; John Josey and Dwayne Jekel, base umpires; Eldon Batte, scorer.

Umpires and scorers for High School baseball are Forrest Sapp, umpire and chief; John Moseley and Grady Allen, base umpires; and Calvin Markham, scorer.

Texas League managers for boys 7-12 who play each Tuesday at 6:30 p.m. are Leon Brady, Rev. John Solomon, Bill Wallace and William Vogelsang. Umpire and chief is Mr. Kennon.

Jackson said bowling is scheduled each Wednesday from 3 to 4:30 p.m. at the KofC alleys for boys and girls. Mrs. Pernice and Mrs. Mees are directing bowling activities in the program.

District Engineer Asks When City Prepared To Curb, Gutter

The City Council Tuesday night heard a letter from District Engineer C. B. Thames that said the state highway department was ready to reinstate the construction project on US 77 in Cameron.

City Secretary Wayne Wieser read a letter that asked when Cameron would be ready to install curbs and gutter for the project.

Thames wrote that the state would be happy to put the project on the construction agenda.

Right-of-way was cleared by the city about two months ago for widening and resurfacing US 77-SH 36 through Cameron from the east underpass to North Travis.

State Approves Light

Wieser also read a letter and authorization for the four-way stop signal at East Fourth and North Fannin Sts. from Thames.

The Council also appointed election officials for the special city election July 16 to determine whether city voters wish to keep downtown parking meters.

Appointed were: B. J. Matocha, presiding judge; Dan Gunn, judge; and Mrs. John Ryan and Mrs. R. W. Bennett, clerks.

Three men were also appointed to the city planning commission for three-year terms.

They are: Jack Tumlinson, Bill Burns and C. W. Hinyard.

Other action included:

ONE—Granting tentative approval for $1,440 to the county health department next year, pending final budget requirements. Last year the city furnished $1,369 for the county health unit. Dr. John Bryson made the request.

TWO—Continued discussion on Mayor Robert Weems request for a decision on a settlement on East First St. for a city line being emplaced.

THREE—Authorized the city to gravel a parking area behind the City Hall for police and employee cars.

Extra Patrol Needed

Chief Byers said he wished to patrol the city in his car, but needed an additional radio and gasoline allowance if it is within the budget.

He noted numerous complaints on speeding and reckless driving incidents here which, he said, could be curtailed with adequate patroling.

Rainfall Totals 2.66 Inches Here During Four Days

Frequent rains last week in Cameron added 2.66 inches to the 21-inch plus record listed at City Hall for about 24 inches thus far in 1957.

Supt. Alvin Hefft, city water department, measured four rains the first four days of June. They were:

June 1	1.35
June 2	.98
June 3	.03
June 4	.30

Normal rainfall for the Milam County and Central Texas area is 32 inches, Hefft said. Cameron has only eight inches to go to reach the normal yearly total.

Little River was swollen with rain water again early this week, but did not reach any flood stage.

Elsewhere in the state, rains continued to swell rivers in north Texas and in Oklahoma.

Weather experts say 1957 thus far is headed for a record year. Flood stages have surpassed records set in 1921.

E. O. Schillers Mark Golden Anniversary

Mr. and Mrs. E. O. Schiller, Cameron, Tuesday celebrated their 50th wedding anniversary.

E. O. Schiller, Jr., their son, told The Herald he had planned a reception for the occasion earlier, but Mr. and Mrs. Schiller modestly declined plans for any celebration.

Married June 4, 1907

Mr. and Mrs. Schiller were married June 4, 1907 in Caldwell by the Rev. J. B. Gleisner.

They moved to Cameron in 1908 where Schiller worked at Thomas Drugs for six months, then worked with Dr. J. C. Reese, pioneer dentist-druggist until January, 1913, when he bought the Reese Drug Store.

The Schiller family has operated Schiller Pharmacy, Cameron, to the present.

Raised In Caldwell

Both Mr. and Mrs. Schiller grew up in Caldwell. He was born in Wesley, Washington County, and Mrs. Schiller was born in Latium, Washington County.

They had two sons, E. O. Schiller, Jr., and Lawrence "Sugar" Schiller, 21, who was killed in January, 1945, over Hong Kong, China. He was a radioman-gunner in the Air Force.

They also have three grandsons, Larry, Robert and Richard Schiller, sons of E. O., Jr.

Mrs. Jim Speer Attends Chamber State Meeting

Jan Speer, secretary of the Cameron Chamber of Commerce attended the 51st Annual Convention of the Texas Chamber of Commerce Manager's Association in Mineral Wells. During the three day meeting June 2-4, Mrs. Speer heard talks from some 18 top flight speakers telling of ways to build better communities.

The theme of the Convention was "Humanistics Unlimited: The People." Top speaker for the some 400 managers and their wives was Governor Price Daniel. He addressed delegates at the Tuesday noon luncheon giving them ideas of closer cooperation of chambers of commerce with the State Government in building the economic and civic assets of Texas.

Another speaker was Congressman Jim Wright of Weatherford. He spoke at the Monday noon luncheon.

John Reichert Wins GM Scholarship

John D. Reichert, son of Mr. and Mrs. Ben Reichert, formerly of Cameron, has been awarded a $2,000 yearly scholarship by General Motors.

Reichert who graduated from Stephen F. Austin high school in Austin this year plans to use the scholarship to study physics.

Construction To Begin Here On New Housing

Construction was scheduled to get underway this week on the 50-unit federal housing project in Cameron.

Narvie Caperton, chairman of the housing authority, told City Councilmen Tuesday night that rains had delayed work on the project, but workmen were prepared to start on the two-site area later this week.

Councilmen voted to maintain a requirement for four-inch sewage pipe from the project. Caperton said original bids and specifications were based on three-inch lines.

He said grades were being run and the brick and stone duplex sites were being staked off.

The Coffield Construction Co., Rockdale, is main contractor. Their bid of $472,438.72 was lowest of 13 bids opened in April.

Caperton told The Herald that Sam Tindell, local brick contractor, will employ a number of local workmen in completing about a $100,000 sub-contract.

Jack Wells is construction superintendent for Coffield Construction while Roy Weems is project inspector.

Magness To Move To Bryan July 1

Ben Magness, president of the Cameron Chamber of Commerce, announced in a Lions Club meeting Tuesday that he will move to Bryan July 1.

District manager of Humble Oil & Refining sales, Magness will move to a similar position in Bryan with his company. He has been in Cameron about two years.

He was named "man of the year" by the Cameron CofC this spring. He has served as a vice-president of the Cameron Lions Club.

He addressed Lions Tuesday about work of the Chamber, describing its early history, development and committee structure.

The phone number listed in two automotive For Sale ads in The Herald classified section should be 975. The ads were run by Earle Pearson Chevrolet.

$200,000 Loan Goes To Farmers In 10 Months

More than $200,000 has been loaned to farmers in Milam and Burleson Counties during the 10 months ending April 30, 1957, by Farmers Home Administration, County Supervisor Roy M. Wright announced this week.

The heaviest demand has been for credit to finance 1957 crop operations of farmers in these two counties.

During this same period, FHA extended credit in operating, emergency and real estate loans to some 18,500 Texas farmers and ranchers for a total of $54,773,000, State FHA Director Walter T. McKay reported.

Texas Jaycees Elect Williams Treasurer

Richard Williams, city banker and Cameron Jaycee state director, this week was elected Texas Jaycee treasurer of the executive board in Grand Prairie.

The announcement followed Williams election to the post this weekend by the state Jaycee executive committee.

Rotarians Sponsor PONY Cameron Cats

The Cameron Rotary Club last week voted to sponsor the Cameron Cats, a PONY League baseball team.

The group voted $175 for the team sponsorship, according to Henry Siebman, club president.

The Cats are competing against the IOOF-sponsored Colts in the two-team league.

Baptist Churches Present VBS Parade

A police escort and fire truck led the Vacation Bible School parade for the First Baptist and Battetown Baptist churches through Cameron Saturday.

Floats were decorated by each department in the First Baptist church and were judged on originality, economy and attraction to bible school. "The Old Woman In A Shoe" float decorated by the Junior Department won first place with "What Is God" by the Intermediate Department and "Barrel Of Fun" decorated by the Primary Department taking second and third place.

Weather Notes

The week-end weather forecast for Cameron and Milam County is more showers and warm temperatures. Rains totaled 2.66 inches during the first four days of June.

	Hi	Lo
May 30	90	66
May 31	86	66
June 1	89	65
June 2	80	65
June 3	80	64
June 4	83	68

WIN MORE HONORS—Miss Martha Jean Hanke left and Howard Von Gonten, Buckholts senior salutatorian and valedictorian respectively, were cited last week by Rockdale Rotarians with outstanding citizenship awards. The outstanding boy and girl from the county will be chosen later. They led 1957 graduates at Buckholts High School.

Mrs. J. H. Dusek Buried Here Fri.

Funeral services were held 3:30 p.m. Friday for Mrs. J. H. Dusek, 82, who died May 30 at her home, 1102 N. Central, after a long illness.

She had lived in Cameron for the past 53 years.

The Rev. John Solomon, pastor of the First Presbyterian Church, conducted services at Marek-Burns Funeral Home. Interment followed in Oak Hill Cemetery.

Mrs. Dusek was a member of the Czech- Moravian Brethern Church and the SPJST Lodge.

She was born Oct. 23, 1874, at Wesley, Texas.

Survivors are: three sons, J. Edwin Dusek, L. Alvin Dusek and Franklyn J. Dusek, all of Cameron; two daughters, Miss Agnes Dusek, Cameron, and Mrs. Marjorie Gunn, Orangeburg, S. C.; a brother, Frank Skrvanek, Caldwell; four sisters, Miss Ann Skrvanek, Miss Rosa Skrvanek, Mrs H. J. Schiller, and Mrs. Stannie Ripple, all of Caldwell; eight grandchildren and one great-grandchild.

Pallbearers were: Drayton McLane, Ladis Marek, Homer McLane, August Knipp, John Muse and Hugh Smith.

Girl Scout Units Break Camp

250 Attend Dinner At Ledbetter

Two hundred and fifty Girl Scouts, Brownie Scouts and their parents Friday attended an annual dinner that closed a week of daytime camping in Ledbetter Park.

Troop 2 hosted the chicken dinner and presented the entertainment at the Girl Scout Hut.

34 Become Girl Scouts

A highlight of the evening were "flying up" ceremonies for 34 Brownie Scouts who, after three years, went into the Girl Scouts.

Special guest Friday night was the Rev. John Solomon, president of the Girl Scout Board.

Five units of 70 girls camped during the week at Ledbetter Park. Camp director is Mrs. J. R. Parker while Mrs. Dewey McElwrath is business manager. Camp shopper was Mrs. Joe Anderson.

The camp lasted from 8:30 a.m. to 2:30 p.m. each day from Monday to Friday last week. Camping were three Cameron Girl Scout troops, one troop from Buckholts and a Brownie Scout troop.

Camp opened and closed each day with flag ceremonies. The troops practiced scout camping procedures during the day including cooking, caring for camp areas and handcrafts.

Camp Lifesaver was Miss Carole Ann Heitman who was assisted by Miss Peggy Hightower.

Cameron Troop 2 with 10 members and Troop 1, Buckholts, were led by Mrs. B. L. Miller, Mrs. Edwin Lehmann and Mrs. Dave Beverage. They worked on Rambler badges, going on two nature hikes, cooking out and working on nature boxes.

Troop 4 Has 10 Members

Troop 4 includes 10 members directed by Mrs. Alfred Gilner, Mrs. James Cryer and Mrs. Ernest Sheppard. The troop took hikes also and worked with nature art.

Members of the troop told of running into a swarm of bees last Thursday afternoon.

Fifteen girls are members of Troop 5. Their leader is Mrs. H. H. Stedman with assistants Mrs. Lester Williams and Miss Carole Ann Heitman.

They are working for second class badges which required going on hikes, cooking out and presenting a play Friday.

The group hiked Wednesday and learned three methods of cooking on open fires.

Members of the group told The Herald they "had a real good time."

17 In Troop 6

Troop 6 consists of 11 Cameron girls and six from Buckholts. They are led by Mrs. F. E. Jackson, Cameron, and Mrs. Wilhite, Buckholts.

They have gone on hikes and enjoyed swimming like the other troops.

Troop 7 is a Brownie troop. Twelve members became Girl Scouts in Friday night ceremonies at the dinner. Leaders are Mrs. Conrad Jekel and Mrs. Anita Schofield with Mrs. Wayne Mann, Mrs. Edgar Sell and Mrs. Clifford Marburger assisting.

The troops activities included making stuffed dolls.

LL, Pony League Ball Opens To Big Crowd

Little League and PONY League play got off to high-scoring start this week as the first three games of the year were played at Yoe Field before large groups of parents and fans.

Tuesday night the Cameron Cats felled the IOOF Colts 15-1 in a four-inning contest. Cat Pitcher Carroll Fikes held the Colts to two hits while his teammates garnered 16 hits off Colt Pitchers Bill Hawkes and Puckett.

Williams and Griswold were the big hitters for the Cats as they garnered 3 for 3 and 4 for 4 respectively.

In Little League play, the Indians won their opener against the White Sox with a 15-4 victory.

Pitcher B. Demkye swished the third strike past 17 batters as his teammates touched Pitchers E. Mees and E. McGoldrick for 12 hits.

White Sox batters had trouble hitting Demkye's fast ball but Catcher McGoldrick caught one for a homer to right field in the sixth. E. Shattle hit a homer for the Indians in the fourth inning of the six-inning game.

In the Braves-Yankees opener, the Braves broke loose with a six-run fifth inning to move ahead of the Yankees 12-5. The Braves got 16 hits while the Yankees clubbed eight.

Pitchers were M. Provasek and D. Jones for the Braves. Pitching for the Yankees was T. Zalisko.

Fans more than filled available seating.

City Boosting Rec Program

Cameron has come out in full force for the summer recreation program this year that now includes Little League Baseball and PONY League ball.

It is an inspiring sight to see Cameron moms and dads going out with their kids to practice sessions.

And its equally gratifying to see how city civic and fraternal groups have adopted team sponsorships and provided adult leadership.

More than 120 boys will play hardball this year thanks to this vital interest in their present and important investment in their future.

Add that number to the hundreds of girls and boys of all ages who participate in the regular rec program and it means a significant community youth project is underway.

Cameron is indeed fortunate to have united foresight for its kids. It is the kind of combined effort that spells achievement in many fields.

Sermon Of The Week

Pastor Recounts Earthly Events After Christ's Ascension

By Rev. Richard Bradshaw, Vicar
All Saint's Episcopal Church

One week ago we celebrated the Ascension of our Lord Jesus Christ into heaven. Therefore let us look at the events that followed immediately after.

When Jesus had gone up from them, Mary and the apostles met and prayed. Their master, and her son, was still the leader in their praying; they used His words, they shared His mind, they prayed with Him as though they said the words after Him.

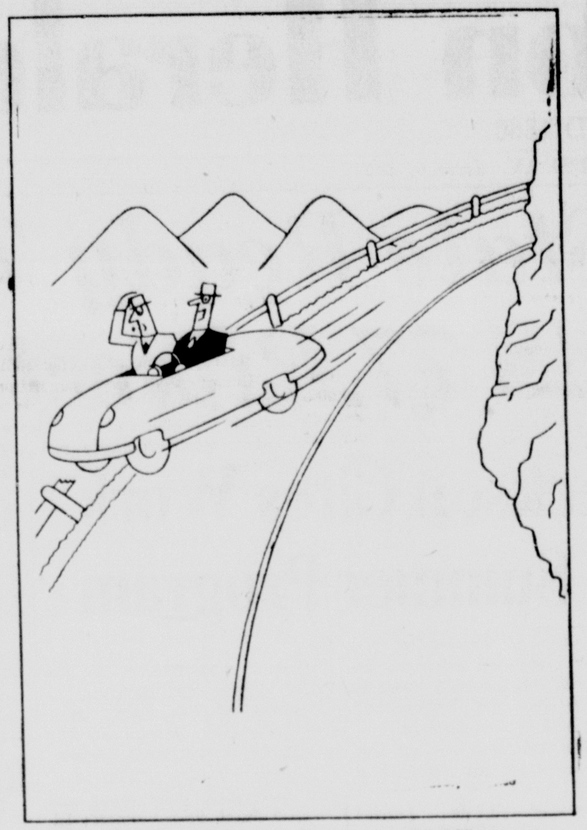
He was now, indeed, somewhat further from them than He used to be; farther, even, than He had been from Peter, James and John at Gethsemane. There they had overheard His prayer, though He knelt beyond them up the hill.

Now He was further still ahead, they could not see or hear Him. But the further he was from them, the nearer He was to the heart of God; further from those who prayed, but nearer to the Mercy to whom all prayer ascends. Not nearer simply, it was not a matter of degree.

He was there, had reached the goal, was one with the fountain from which all things always come. In Jesus they were there too, for He was one of them. They turned their faces upwards and stretched up their hands, and what inspired them in His name to ask was asked by God from God.

I pray that we too my turn to Him in prayer "without ceasing" even as they did, and He will be faithful and just to bestow upon us the gift of the Holy Spirit even as He did for them and all who have truly sought Him since.

Heedless Horsepower by O. Soglow



Driving off the road killed and injured 150,000 persons in 1956.

THE LITTLE RIVER PHILOSOPHER

Sage Claims Ag Scientists About To Break Farmers

By J. A.

(The Little River Philosopher may be mixed up in his thinking, but then again he may not be.—Ed

Dear editar:

The trouble with farming is that science won't leave it alone.

For example, I was reading last night in a newspaper which an insurance salesman left out here yesterday, he didn't sell me any insurance but I think I sold him on taking my name off his prospect list, where scientists at an agricultural research center in Indiana have developed a pill which, when you feed it to livestock they gain a lot faster on less food.

In one test on cattle, steers showed "11 per cent improvement in gain and 9 per cent improvement in feed efficiency."

The scientists immediately hailed this as an important step forward, but that's not the way I see it, and if Sec. Benson is on his toes instead of the farmers' for a change he won't see this means a 11 per cent increase in the meat supply and a 9 percent increase in the feed surplus.

Also, not only are scientists getting cows to use less feed, although I've got one old cow out here I don't believe would respond to their treatment, they're teaching farmers how to grow more per acre.

What this means is that every time a scientist succeeds in growing two bushels of corn or maize or wheat or what not where onyl one grow before, somebody has to put up two warehouses to store it in where only one was before.

You keep this up for any length of time and you can see what'll happen to the surplus, which is already bigger than the national budget.

As I see it, scientists are the worst enemy of the farmers, and if they can't do any better, they ought to give up agricultural research and work on the hydrogen bomb or space ships.

What the farmer needs is a pill which will slow down, not speed up, agricultural production. What he needs is something that'll make a cow eat twice as much as she's eating now and take three times as long to get ready for market, with of course an adequate price to take care of the long-drawn-out process. What he needs is a chemical to spray on his seed to make cotton for example take two years to mature instead of six months. As for corn, with a two-year supply already on hand and another crop on the way, something in the nature of a century-plant type corn, which makes ears every ten years, would be ideal. The same thing would apply to practically everything else grown on a farm.

The way it looks from here, agricultural research is about to bust not only the warehouses but the farmers to boot.

Yours faithfully,
J. A.

Rockdale Alcoans Donate 150 Pints Of Blood For Record

Rockdale Alcoans and employees of the Industrial Generating Company donated a record-breaking 150 pints of blood to the Red Cross regional blood program here last week.

The figure donated here has been topped only by donations at Fort Hood and other military installations, according to the Red Cross Regional Blood Center in Waco.

The donations brought a new total of 784 pints of blood given to the program by Alcoa's Rockdale Works. It was the eighth trip ot the installation for the Red Cross Bloodmobile.

Don Mercer, training director for Alcoa and chairman of the drive, said he thanked each donor for the overwhelming response. He said some 161 donors volunteered for the one-day drive.

Personnel at Rockdale Works first joined the Red Cross blood program in 1953.

Raymond Doskocil Remodels Gin For Clarkson Cotton Season

By Mrs. J. A. Blasienz

Raymond Doskocil is doing repair and remodeling work on his gin here, getting ready for the coming cotton season. New scales are being installed not only for weighing cotton, but also to accommodate the farmers for weighing their corn and small grain.

Mr. and Mrs. Louis Skala and Lillie had as recent guests, Mr. and Mrs. Billy Ernst of Barclay, Mr. and Mrs. Robert Mayer of Weatherford, Mr. and Mrs. T. O. Mayer and family of Marlin, Mr. and Mrs. Otto Mayer and family, and Mr. Joe Pagach and family of Clarkson, Mr. and Mrs. Henry Trojan and Mr. and Mrs. Louis Goeke and son of Rosebud.

Mr. and Mrs. Joe Hauk and Butch and Mr. and Mrs. Johnny Joe Hauk and Billy Joe of Crosby, spent the past weekend with relatives at Durant Oklahoma.

Mr. and Mrs. Otto Schulz, Jr. of Temple, are spending their vacation here with his parents, Mr. and Mrs. Otto Schulz, Sr. and Mrs Schulz's parents, Mr. and Mrs. W. R. Kelm of Meeks.

Mrs. Oran Casey and daughters of Lott visited Mr. and Mrs. Hubert Skala Thursday.

Mr. and Mrs. Otto Schulz, Sr. and Mr. and Mrs. Otto Schulz, Jr., spent Sunday with Mr. Schulz's sister, Mrs. Elsie Pankonien of Taylor.

Over night guests of Mr. and Mrs. Otto Mayer and family recently were Mr. and Mrs. Robert Mayer of Weatherford.

Mr. and Mrs. John A. Blasienz of Bryan spent Friday with Mr. and Mrs. J. A. Blasienz.

Mr. and Mrs. Walter Senkel of Maysfield and Mr. and Mrs. John Senkel of Cameron spent Sunday with their mother, Mrs. Wm. Senkel.

Miss Peggy Robbins and Miss Mary Martin of Washington, D.C. spent the past several days with Peggy's parents, Mr. and Mrs. C. S. Robbins. Miss Martin has recently been released from the service.

Proclamation

WHEREAS, The National Fraternal Congress of America by its President has proclaimed June 9-16, 1957 as FRATERNAL WEEK, and

WHEREAS, The Local lodges of the fraternal benefit system are devoted to charitable, beneficial, patriotic and benevolent purposes, and organized for the purpose to make provision for the care of the sick and needy and are active in civic and community undertakings for the betterment of the public health and the general welfare of the people; and

WHEREAS, The President and Executive Committee of the National Fraternal Congress of America have called upon the executives and leaders of societies and lodges comprising the entire fraternal benefit system to unite in the promotion of the annual observance of FRATERNAL WEEK in order that the people of this state and other states may be fully apprised of the ideals and objectives of said fraternal benefit system; and

WHEREAS, The Honorable Price Daniel, Governor of the State of Texas, by official memorandum has designated the week of June 9 - 16, 1957, as Fraternal Week, in Texas, and urges all citizens of the State of Texas to observe it as such and to attend fraternal functions open to the public during that week, and,

WHEREAS, the fraternal benefit societies will give special observance to Flag Day, June 14, 1957, with appropriate exercises since the dates of FRATERNAL WEEK were chosen to include that day as a fitting one to proclaim their inherent patriotism.

NOW, THEREFORE, I .. Robert Weems Mayor of the city of Cameron do hereby proclaim June 9-16, 1957, as FRATERNAL WEEK.

And I, as Mayor of this City invite the people to lend their support by attending fratenal functions open to the public during said week, to the end that they may become aware of the splendid purpose of the societies incorporated in the fraternal benefit system.

IN WITNESS WHEREOF, I have hereunto set my hand and the Seal of the City of Cameron this 30th day of May 1957.

Robert Weems
Mayor

Drive-In Theatre Plans To Reopen About Mid-June

The 77 Drive-In Theatre is due to reopen about mid-June with a new Cinemascope screen, according to Manager Dean White.

The drive-in's former screen was blown down in heavy winds early in May. The toppling screen also smashed the boxoffice.

New Cinemascope Screen

White said the new Cinemascope screen will be about 70 by 30 feet compared to the old 50 by 30-foot screen. It will be supported by 16 60-foot poles empiaced nine feet in the ground.

Another new addition will be an air-conditioned snack bar equipped with two one-ton units, he said.

The 300-place theatre will have twice the area in its patio in front of the structure.

M. L. Montgomery, construction foreman, is directing the work.

Features Coming Up

The 77 Drive-In is planning a four-show feature July 3 and a special money-saver night, July 4, White said.

Other additions at 77 Drive-In will be a new box office and a carport for customers in front of the theatre.

5 Draw Stripes, Two Re-Enlist In Guard Unit

Five promotions one enlistment and two re-enlistments were made in Battery C, 649th AAA Battalion, the Milam County National Guard unit reported this week.

The promotions included one to sergeant, which was received by Spec. 3 Edward P. Brady. Brady has been a member of the Battery for three years and is assigned to the gun section.

Promoted to private first class were Pvts. Rodney D. Boswell, Lewis S. Caddell, Kenneth G. Cryer and Charles L. Williams.

Battery C said the enlistment was made by Trine Alvarez, who was sworn in as a private during the weekly drill period May 28 for a three-year term. Re-enlisting in the battery, also for three year terms, were Spec. 3 Charles W. Burnett and Rudolph A. Tepera Both are assigned to the Gun Section.

Battery C also reported the loss of several members. They included Specialist 3 Dickie S. Jaynes, Philip E. Jimenez and John A. Pernice. Jaynes was transferred to the Inactive National Guard and Pernice was discharged when their civilian occupations interferred with their attendance at drill and summer camp. Jimenez recently was transferred to the 249th Tank Battalion in Fort Worth, Texas, where he is now employed. He has been a member of Battery C here for over four years.

News From Burlington

Mrs. Arthur Davenport and son, Billie Don, visited their daughter and sister, Mrs. Florence O'Neal at Rosenburg last week. They were accompanied by little Lynn O'Neal son of Mrs. Florence O'Neal. He had spent some time here with relatives.
night.

Rev. C. A. Johnson of Baylor University preached here at the Baptist church Sunday and Sunday night.

Time for Womans Missionary Union has been changed at the Baptist church from 1:30 to 2 p.m. on Thursdays.

Mrs. J. M. Watkins of Marlin and Mrs. Roy Byford of Waco visited their neice and cousin, Mrs. Herman Schulz and Mr. Schulz last week.

Mr. and Mrs. Phil Krause received news of the arrival of a little granddaughter in the home of Lieut. and Mrs. John Meek of Winterhaven, Florida was born May 27th. The paternal grandparents are Mr. and Mrs. A. W. Meek of Chicago, Ill.

Ed Martin of San Antonio visited his mother, Mrs. Mary Martin, and other relatives here last week.

Mrs. Ed Olbrich painfully injured her ankle a few days ago and is not able ot get around. Her friends are hoping she may soon be well.

David Krause, Stanley Wied and Ogene Barkemyer are home for the summer from A&M College.

Mrs. R. S. Laird has returned home from a visit to relatives here and in Cameron and Houston. She lives in Tulsa, Okla.

Mr. and Mrs. Bill Matyastic and children, Billie and Margaret Elaine spent last weekend in Cameron with his parents, Mr. and Mrs. Mtyastic and at Burlington with her parents, Mr. and Mrs. H. F. Schulz.

Mr. and Mrs. Fred Logan, Sr. and children, Myra and Freddie of New Orleans, La., visited his parents, Mr. and Mrs. George Logan, Sr., last week. They lived in Dallas for two years where Freddie was employed in the Regional post office. He is now employed in the post office in New Orleans.

Mrs. Bill Faulkner entertained the 42 club at her home Tuesday. After the games were played Mrs. Faulkner served delicious refreshments.

Billie Wayne Marek returned to his work in Dallas after a short vacation here with relatives.

More rain has fallen here and came in handy for farmers.

Mr. and Mrs. A. W. Buls of Dallas visited relatives here and at Roseubd last week.

Harold Davenport and Fred Davenport, Jr., who are home on vacation from A&M are employed in Cameron.

Kennon's Hold Family Reunion At City Park

Four generations were represented at the Kennon family reunion in the city park last week.

Thirty-seven were present for the first reunion in ten years. Six members of the family who live out of the state were not able to attend.

Cameronites attending the reunion were Mrs. Ada Belle Kennon; Mr. and Mrs. A. L. Kennon; Mrs. Bill Eanes, Van, David and Charles; Mr. and Mrs. Cage Kennon, Dean and Carroll; Mr. and Mrs. Ben Kennon; Marsha Lynn and Perry Petru.

Attending from Houston were: Mrs. Joe Petru; Mr. and Mrs. John Kennon; Mr. and Mrs. Alfred Burt, Jerry, Linda, Peggy and Janet; Mr. and Mrs. Crockett Kennon, Anette, Renie, Nancy and Danny. Mr. and Mrs. Richmond Zelisko, Jimmy, Johnny and Jerry came from Buckholts and Mr. and Mrs. James Arthur Rippie from Downey, California.

Mr. and Mrs. Rippie and Mr. and Mrs. A. L. Kennon have just returned from a trip to Michigan and Canada.

In a 20-mile race, a man would win over a horse because of his endurance.

Anthony Perkins Stars In 'Fear' At Milam

Starring in the first of six major Paramount films, the brilliant new acting sensation, Anthony Perkins, heads the cast of "Fear Strikes Out," real-life drama showing June 6-7 at the Milam Theatre.

Co-starred with Academy Award-winner Karl Malden, Perkins portrays a young athlete in the dramatization of the frank and gripping report that drew nationwide attention as a Saturday Evening Post serial and Reader's Digest feature.

The lanky, intense, twenty-four-year-old Perkins, who skyrocketed to the top as the newest teenage idol on the basis of his work in "Friendly Persuasion" and numerous top television plays, has shown every evidnce of being an extraordinary actor whose appeal is to movie-goers of all ages. The response of critics and previewers to his "Fear Strikes Out" performance points to him as one of the most important dramatic finds in many years.

The story of a young man's struggle from boyhood on to reach the top, only to have success snatched away by the very fierceness of his own need to win, gives Perkins a role unparalleled for its opportunity to a newcomer. Unsurpassed even in fiction for its sheer drama, it is a straight-from-life tale of violence, pathos, warm romance and raw courage.

Karl Malden, honored for "On the Waterfront" and "A Streetcar Named Desire," plays the father whose insatiable ambition drives his son to the top. Lovely newcomer Norma Moore debuts as the girl who stands by Perkins.

Want A Kitten? Cameronite Has 'em

J. M. Mowdy has two kittens. Do you have a home for them?

Mowdy, General Delivery, Cameron, says that they are about six-weeks old. He hopes someone will take them, he points out, because he is unable to keep them much longer.

William Henry Harrison was the oldest U.S. president to take office. He was 68.

At least ten countries use the eagle as the symbol of supremacy.

Henry Clay is credited with saying "I'd rather be right than president".

Theodore Roosevelt was the youngest president of the United States. He was 43.

The flag of the 11 Confederate States of America was known as the "Stars and Bars".

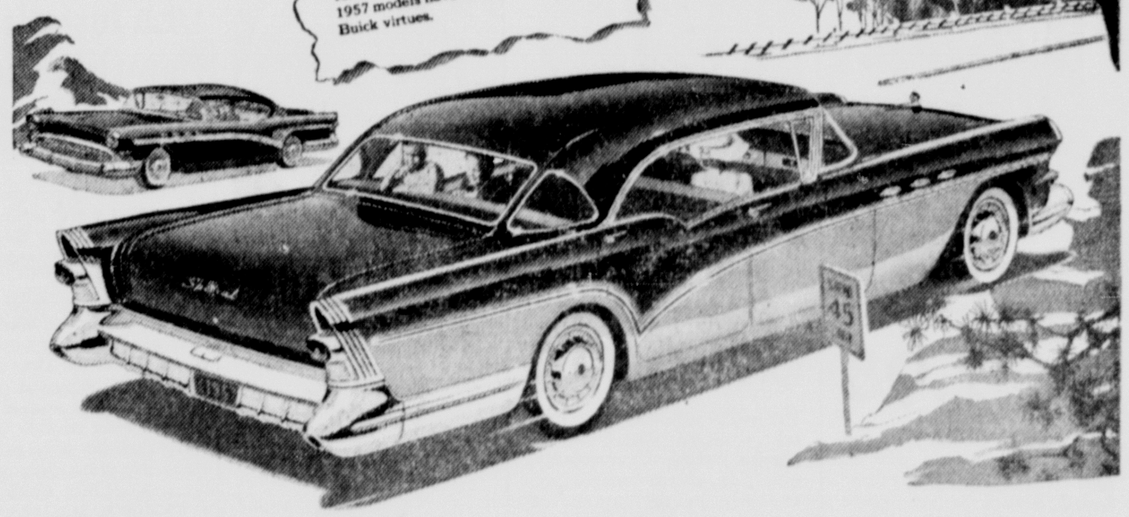
"We Were Amazed"
Says CAR LIFE,
The Family Auto Magazine

We were amazed as we drove the Special four-door hardtop, to find that an automobile could be completely changed yet retain so much of its former appearance and character. The 1957 models have all the familiar, solid Buick virtues.



THE ABOVE brief clipping tells you worlds about the '57 Buick.

It tells you we went all out to make this car completely new—yet we didn't sacrifice a single Buick virtue.

So you still get that unmistakable Buick styling.

You still get that big-car room and comfort and that solid Buick quality.

But you also get so complete a change in the vitals of this car that the driving of it is a wondrous new experience.

You get a brilliant brand of performance that's different from anything else that goes on four wheels.

Words won't describe it. Telling you there's an all-new engine, an instant new Dynaflow,* a completely new power train—none of that will convey this news to you.

What you have to do is get in this car and drive it. Drive it around the block, through town, out on the highway. Actually *feel* what happens when you press the gas pedal, turn the steering wheel, touch those powerful new brakes.

Then—and not till then—will you know why folks call this "the dream car *to drive*."

The best advice we can give you, by far, is this: ***Ask your dealer for a trial run today.***

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special. Safety-Buzzer is standard on Roadmaster, optional at extra cost on other Series.

Exclusive With Buick
SAFETY-BUZZER*
—the "built-in conscience" that buzzes when you reach the miles-per-hour you want to stay under, keeps silent when you drop below that pace.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Big Thrill's Buick — The most completely changed Buick in History!

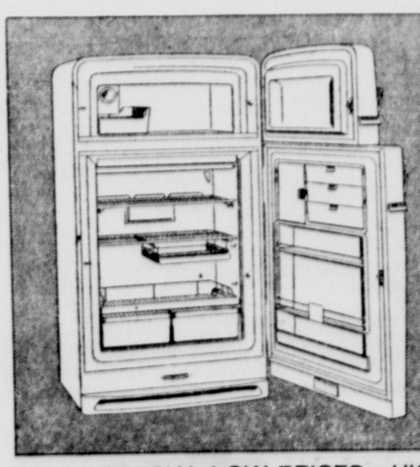
the little flame that freezes...
secret of today's
most amazing refrigerator

Thirty years ago came the first "electric ice boxes" . . . costly, complicated, noisy, liable to break down, wear out and gluttons for current. Two Swedish chemists decided there must be a better way. And, in their Stockholm laboratory, discovered The Little Flame That Freezes. A tiny gas flame replaced all those moving parts . . . makes all other refrigerators old-fashioned. No noise! Nothing to wear out! They had discovered the refrigerator that was 30 years ahead of its time! It still is!

BUY the 30-years-ahead SERVEL
GAS REFRIGERATOR
MAKES ICE WITHOUT TRAYS



Almost like magic . . . its sparkling ice-circles replenish themselves. Take one or a handful—there's always plenty. And there are no messy ice trays to fill, spill and forget to refill.

City Boosting Rec Program

Cameron has come out in full force for the summer recreation program this year that now includes Little League Baseball and PONY League ball.

It is an inspiring sight to see Cameron moms and dads going out with their kids to practice sessions.

And its equally gratifying to see how city civic and fraternal groups have adopted team sponsorships and provided adult leadership.

More than 120 boys will play hardball this year thanks to this vital interest in their present and important investment in their future.

Add that number to the hundreds of girls and boys of all ages who participate in the regular rec program and it means a significant community youth project is underway.

Cameron is indeed fortunate to have united foresight for its kids. It is the kind of combined effort that spells achievement in many fields.

Sermon Of The Week

Pastor Recounts Earthly Events After Christ's Ascension

By Rev. Richard Bradshaw, Vicar
All Saint's Episcopal Church

One week ago we celebrated the Ascension of our Lord Jesus Christ into heaven. Therefore let us look at the events that followed immediately after.

When Jesus had gone up from them, Mary and the apostles met and prayed. Their master, and her son, was still the leader in their praying; they used His words, they shared His mind, they prayed with Him as though they said the words after Him.

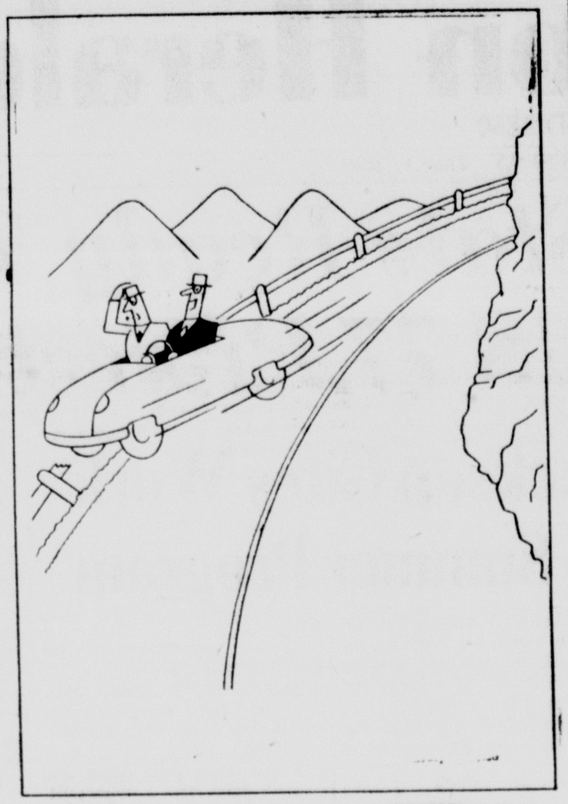
He was now, indeed, somewhat further from them than He used to be; farther, even, than He had been from Peter, James and John at Gethsemane. There they had overheard His prayer, though He knelt beyond them up the hill.

Now He was further still ahead, they could not see or hear Him. But the further he was from them, the nearer He was to the heart of God; further from those who prayed, but nearer to the Mercy to whom all prayer ascends. Not nearer simply, it was not a matter of degree.

He was there, had reached the goal, was one with the fountain from which all things always come. In Jesus they were there too, for He was one of them. They turned their faces upwards and stretched up their hands, and what inspired them in His name to ask was asked by God from God.

I pray that we too my turn to Him in prayer "without ceasing" even as they did, and He will be faithful and just to bestow upon us the gift of the Holy Spirit even as He did for them and all who have truly sought Him since.

Heedless Horsepower by O. Soglow



Driving off the road killed and injured 150,000 persons in 1956.

THE LITTLE RIVER PHILOSOPHER

Sage Claims Ag Scientists About To Break Farmers

By J. A.

(The Little River Philosopher may be mixed up in his thinking, but then again he may not be.—Ed

Dear editar:

The trouble with farming is that science won't leave it alone.

For example, I was reading last night in a newspaper which an insurance salesman left out here yesterday, he didn't sell me any insurance but I think I sold him on taking my name off his prospect list, where scientists at an agricultural research center in Indiana have developed a pill which, when you feed it to livestock they gain a lot faster on less food.

In one test on cattle, steers showed "11 per cent improvement in gain and 9 per cent improvement in feed efficiency."

The scientists immediately hailed this as an important step forward, but that's not the way I see it, and if Sec. Benson is on his toes instead of the farmers' for a change he won't see this means a 11 per cent increase in the meat supply and a 9 percent increase in the feed surplus.

Also, not only are scientists getting cows to use less feed, although I've got one old cow out here I don't believe would respond to their treatment, they're teaching farmers how to grow more per acre.

What this means is that every time a scientist succeeds in growing two bushels of corn or maize or wheat or what not where onyl one grow before, somebody has to put up two warehouses to store it in where only one was before.

You keep this up for any length of time and you can see what'll happen to the surplus, which is already bigger than the national budget.

As I see it, scientists are the worst enemy of the farmers, and if they can't do any better, they ought to give up agricultural research and work on the hydrogen bomb or space ships.

What the farmer needs is a pill which will slow down, not speed up, agricultural production. What he needs is something that'll make a cow eat twice as much as she's eating now and take three times as long to get ready for market, with of course an adequate price to take care of the long-drawn-out process. What he needs is a chemical to spray on his seed to make cotton for example take two years to mature instead of six months. As for corn, with a two-year supply already on hand and another crop on the way, something in the nature of a century-plant type corn, which makes ears every ten years, would be ideal. The same thing would apply to practically everything else grown on a farm.

The way it looks from here, agricultural research is about to bust not only the warehouses but the farmers to boot.

Yours faithfully,
J. A.

Rockdale Alcoans Donate 150 Pints Of Blood For Record

Rockdale Alcoans and employees of the Industrial Generating Company donated a record-breaking 150 pints of blood to the Red Cross regional blood program here last week.

The figure donated here has been topped only by donations at Fort Hood and other military installations, according to the Red Cross Regional Blood Center in Waco.

The donations brought a new total of 784 pints of blood given to the program by Alcoa's Rockdale Works. It was the eighth trip of the installation for the Red Cross Bloodmobile.

Don Mercer, training director for Alcoa and chairman of the drive, said he thanked each donor for the overwhelming response. He said some 161 donors volunteered for the one-day drive.

Personnel at Rockdale Works first joined the Red Cross blood program in 1953.

Raymond Doskocil Remodels Gin For Clarkson Cotton Season

By Mrs. J. A. Blasienz

Raymond Doskocil is doing repair and remodeling work on his gin here, getting ready for the coming cotton season. New scales are being installed not only for weighing cotton, but also to accommodate the farmers for weighing their corn and small grain.

Mr. and Mrs. Louis Skala and Lillie had as recent guests, Mr. and Mrs. Billy Ernst of Barclay, Mr. and Mrs. Robert Mayer of Weatherford, Mr. and Mrs. T. O. Mayer and family of Marlin, Mr. and Mrs. Otto Mayer and family, and Mr. Joe Pagach and family of Clarkson, Mr. and Mrs. Henry Trojan and Mr. and Mrs. Louis Goeke and son of Rosebud.

Mr. and Mrs. Joe Hauk and Butch and Mr. and Mrs. Johnny Joe Hauk and Billy Joe of Crosby, spent the past weekend with relatives at Durant Oklahoma.

Mr. and Mrs. Otto Schulz, Jr. of Temple, are spending their vacation here with his parents, Mr. and Mrs. Otto Schulz, Sr. and Mrs Schulz's parents, Mr. and Mrs. W. R. Kelm of Meeks.

Mrs. Oran Casey and daughters of Lott visited Mr. and Mrs. Hubert Skala Thursday.

Mr. and Mrs. Otto Schulz, Sr. and Mr. and Mrs. Otto Schulz, Jr., spent Sunday with Mr. Schulz's sister, Mrs. Elsie Pankonien of Taylor.

Over night guests of Mr. and Mrs. Otto Mayer and family recently were Mr. and Mrs. Robert Mayer of Weatherford.

Mr. and Mrs. John A. Blasienz of Bryan spent Friday with Mr. and Mrs. J. A. Blasienz.

Mr. and Mrs. Walter Senkel of Maysfield and Mr. and Mrs. John Senkel of Cameron spent Sunday with their mother, Mrs. Wm. Senkel.

Miss Peggy Robbins and Miss Mary Martin of Washington, D.C. spent the past several days with Peggy's parents, Mr. and Mrs. C. S. Robbins. Miss Martin has recently been released from the service.

Drive-In Theatre Plans To Reopen About Mid-June

The 77 Drive-In Theatre is due to reopen about mid-June with a new Cinemascope screen, according to Manager Dean White.

The drive-in's former screen was blown down in heavy winds early in May. The toppling screen also smashed the boxoffice.

New Cinemascope Screen

White said the new Cinemascope screen will be about 70 by 30 feet compared to the old 50 by 30-foot screen. It will be supported by 16 60-foot poles emplaced nine feet in the ground.

Another new addition will be an air-conditioned snack bar equipped with two one-ton units, he said.

The 300-place theatre will have twice the area in its patio in front of the structure.

M. L. Montgomery, construction foreman, is directing the work.

Features Coming Up

The 77 Drive-In is planning a four-show feature July 3 and a special money-saver night, July 4, White said.

Other additions at 77 Drive-In will be a new box office and a carport for customers in front of the theatre.

5 Draw Stripes, Two Re-Enlist In Guard Unit

Five promotions one enlistment and two re-enlistments were made in Battery C, 649th AAA Battalion, the Milam County National Guard unit reported this week.

The promotions included one to sergeant, which was received by Spec. 3 Edward P. Brady. Brady has been a member of the Battery for three years and is assigned to the gun section.

Promoted to private first class were Pvts. Rodney D. Boswell, Lewis S. Caddell, Kenneth G. Cryer and Charles L. Williams.

Battery C said the enlistment was made by Trine Alvarez, who was sworn in as a private during the weekly drill period May 28 for a three-year term. Re-enlisting in the battery, also for three year terms, were Spec. 3 Charles W. Burnett and Rudolph A. Tepera Both are assigned to the Gun Section.

Battery C also reported the loss of several members. They included Specialist 3 Dickie S. Jaynes, Philip E. Jimenez and John A. Pernice. Jaynes was transferred to the Inactive National Guard and Pernice was discharged when their civilian occupations interferred with their attendance at drill and summer camp. Jimenez recently was transferred to the 249th Tank Battalion in Fort Worth, Texas, where he is now employed. He has been a member of Battery C here for over four years.

Proclamation

WHEREAS, The National Fraternal Congress of America by its President has proclaimed June 9-16, 1957 as FRATERNAL WEEK, and

WHEREAS, The Local lodges of the fraternal benefit system are devoted to charitable, beneficial, patriotic and benevolent purposes, and organized for the purpose to make provision for the care of the sick and needy and are active in civic and community undertakings for the betterment of the public health and the general welfare of the people; and

WHEREAS, The President and Executive Committee of the National Fraternal Congress of America have called upon the executives and leaders of societies and lodges comprising the entire fraternal benefit system to unite in the promotion of the annual observance of FRATERNAL WEEK in order that the people of this state and other states may be fully apprised of the ideals and objectives of said fraternal benefit system; and

WHEREAS, The Honorable Price Daniel, Governor of the State of Texas, by official memorandum has designated the week of June 9 - 16, 1957, as Fraternal Week, in Texas, and urges all citizens of the State of Texas to observe it as such and to attend fraternal functions open to the public during that week, and,

WHEREAS, the fraternal benefit societies will give special observance to Flag Day, June 14, 1957, with appropriate exercises since the dates of FRATERNAL WEEK were chosen to include that day as a fitting one to proclaim their inherent patriotism.

NOW, THEREFORE, I .. Robert Weems Mayor of the city of Cameron do hereby proclaim June 9-16, 1957, as FRATERNAL WEEK.

And I, as Mayor of this City invite the people to lend their support by attending fratenal functions open to the public during said week, to the end that they may become aware of the splendid purpose of the societies incorporated in the fraternal benefit system.

IN WITNESS WHEREOF, I have hereunto set my hand and the Seal of the City of Cameron this 30th day of May 1957.

Robert Weems
Mayor

News From Burlington

Anthony Perkins Stars In 'Fear' At Milam

Starring in the first of six major Paramount films, the brilliant new acting sensation, Anthony Perkins, heads the cast of "Fear Strikes Out," real-life drama showing June 6-7 at the Milam Theatre.

Co-starred with Academy Award-winner Karl Malden, Perkins portrays a young athlete in the dramatization of the frank and gripping report that drew nationwide attention as a Saturday Evening Post serial and Reader's Digest feature.

The lanky, intense, twenty-four-year-old Perkins, who skyrocketed to the top as the newest teenage idol on the basis of his work in "Friendly Persuasion" and numerous top television plays, has shown every evidnce of being an extraordinary actor whose appeal is to movie-goers of all ages. The response of critics and previewers to his "Fear Strikes Out" performance points to him as one of the most important dramatic finds in many years.

The story of a young man's struggle from boyhood on to reach the top, only to have success snatched away by the very fierceness of his own need to win, gives Perkins a role unparalleled for its opportunity to a newcomer. Unsurpassed even in fiction for its sheer drama, it is a straight-from-life tale of violence, pathos, warm romance and raw courage.

Karl Malden, honored for "On the Waterfront" and "A Streetcar Named Desire," plays the father whose insatiable ambition drives his son to the top. Lovely newcomer Norma Moore debuts as the girl who stands by Perkins.

Want A Kitten? Cameronite Has 'em

J. M. Mowdy has two kittens. Do you have a home for them?

Mowdy, General Delivery, Cameron, says that they are about six-weeks old. He hopes someone will take them, he points out, because he is unable to keep them much longer.

At least ten countries use the eagle as the symbol of supremacy.

Henry Clay is credited with saying "I'd rather be right than president".

Theodore Roosevelt was the youngest president of the United States. He was 43.

The flag of the 11 Confederate States of America was known as the "Stars and Bars".

"We Were Amazed"
Says CAR LIFE,
The Family Auto Magazine

We were amazed as we drove the Special four-door hardtop, to find that an automobile could be completely changed yet retain so much of its former appearance and character. The 1957 models have all the familiar, solid Buick virtues.

THE ABOVE brief clipping tells you worlds about the '57 Buick.

It tells you we went all out to make this car completely new—yet we didn't sacrifice a single Buick virtue.

So you still get that unmistakable Buick styling.

You still get that big-car room and comfort and that solid Buick quality.

But you also get so complete a change in the vitals of this car that the driving of it is a wondrous new experience.

You get a brilliant brand of performance that's different from anything else that goes on four wheels.

Words won't describe it. Telling you there's an all-new engine, an instant new Dynaflow,* a completely new power train—none of that will convey this news to you.

What you have to do is get in this car and drive it. Drive it around the block, through town, out on the highway. Actually *feel* what happens when you press the gas pedal, turn the steering wheel, touch those powerful new brakes.

Then—and not till then—will you know why folks call this "the dream car *to drive*."

The best advice we can give you, by far, is this: ***Ask your dealer for a trial run today.***

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special. Safety-Buzzer is standard on Roadmaster, optional at extra cost on other Series.*

Exclusive With Buick
SAFETY-BUZZER*
—the "built-in conscience" that buzzes when you reach the miles-per-hour you want to stay under, keeps silent when you drop below that pace.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Big Thrill's Buick — The most completely changed Buick in History!
SPECIAL • CENTURY • SUPER • ROADMASTER — and ROADMASTER 75

the little flame that freezes...
secret of today's
most amazing refrigerator

Thirty years ago came the first "electric ice boxes"... costly, complicated, noisy, liable to break down, wear out and gluttons for current. Two Swedish chemists decided there must be a better way. And, in their Stockholm laboratory, discovered The Little Flame That Freezes. A tiny gas flame replaced all those moving parts ... makes all other refrigerators old-fashioned. No noise! Nothing to wear out! They had discovered the refrigerator that was 30 years ahead of its time! It still is!

BUY the 30-years-ahead SERVEL
GAS REFRIGERATOR
MAKES ICE WITHOUT TRAYS

Almost like magic ... its sparkling ice-circles replenish themselves. Take one or a handful—there's always plenty. And there are no messy ice trays to fill, spill and forget to refill.

today's only refrigerator
GUARANTEED 10 FULL YEARS

today's only refrigerator
WITH NO MOVING PARTS

Shower Honors Gloria Harber

The women of the Battetown Baptist church gave a shower for Miss Gloria Harber at the church last Thursday afternoon.

The educational room of the church was decorated with arrangements of spring flowers and Queen Anns Lace dyed pink, blue and white.

Mrs. Wesley Pratt assisted Miss Harbor opening her gifts and Mrs. Audis Lott and Mrs. Dwight Price directed games.

Refreshments of tea sandwiches, cookies and fruit punch were served by Mrs. P. L. Caperton, Mrs. Audis Lott and Mrs. Alfred Simecek. Plate favors for the 40 guests were gaily decorated cards with the inscription "Elton and Gloria, June 1st".

Lloyd Stoebner Receives B. A. Degree At Texas U.

Lloyd Stoebner, son of Mr. and Mrs. Will Stoebner of Burlington, received his B.A. degree from the University of Texas Saturday. Mr. and Mrs. Stoebner and their daughter, Miss Willie Mae Stoebner of Temple, attended the commencement exercises in Austin.

Mr. Stoebner will be employed by the Texas Electric Company in Fort Worth.

A Poem By Fr. O'Reilly

(Following is one of poems written by the late Fr. John Joseph O'Reilly who died Monday in New Orleans. A poet and writer, he wrote this poem in 1934 in Temple, according to the Rev. George Duda whom Fr. O'Reilly assisted here for two years at St. Moncia's Church.—Ed.)

GOD UNDERSTANDS

With throbbing heart I've toiled beneath the sun
I have not shunned the burden and the heat.
Along life's roughest pathway have I trod;
Weary of heart with bruised and aching feet.
Evening has come, and lo; I turn me home,
Bearing no golden sheaves from conquered land.
The world may call me failure if it will,
What care I for the world —God Understands.
God understands the heart I gave to Him
In the far off budding springtime of my life,
How I have bowed submissive to His will
In days of deepest calm, and sharpest strife,
He has seen fit to break me as a reed,
To Sear my hopes, and shatter all my plans
Let the world scoff and scorn me as it will
It is enough for me to know —God understands.

Double Ring Ceremony Unites La Nell Kuehl - Joseph Hamel

Miss La Nell Kuehl became the bride of Joseph Dwyer Hamel May 18th at the Notre Dame church in Adams, Massachusetts. Monsignor Joseph Smith preformed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Ted Kuehl and the bridegroom is the son of Mrs. Irene Hamel, Adams, Massachusetts.

Given in marriage by her father the bride wore a white ballerina length gown of embroidered organdy. The princess line bodice featured a scooped neckline edged in lace, with short sleeves. A shoulder length veil of French illusion fell from a halo of seed pearls. She carried a bouquet of pink roses and daisys.

Nuptial music was furnished by Louis San Saucie, organist, and Kenneth King, soloist, both from Adams.

Miss Mamie Fisshbeck, Rutherford, N J,, was the maid of honor with Gerald T. Hamel serving his brother as best man. Ushers were Francis C. Noel and Edward Pitomak of Adams.

The bride's mother chose a dress of navy blue silk shantung with pink accessories. The bridegrooms' mother wore a pale blue silk jersey dress with pink accessories.

A reception dinner followed the wedding.

Cardinals Defeat Cameron Exes, 6-2

The Cameron Cardinals defeated the Cameron Exes Sunday here by a 6-2 score.

A muddy field handicapped both squads which met for the first time this season.

Marshall was th ewinning pitcher for the Cardinals while Sapp took the loss for the Exes. Catcher for the Cardinals is Rettig while Menard caught for the Exes.

Farm Bureau Calls Special Meeting

President Charles B. Shuman of the American Farm Bureau called a meeting for June 3, in Washington, D.C. for Farm Bureau leaders in all cotton states to discuss the referendum vote on the cotton situation.

Attending from the Texas Farm Bureau were: President Walter Hammond, J. H. West, vice president, Texas Farm Bureau; and Director of District 12, H. L. King, District 2, J. T. Woodson, District 4, H. C. Brinkoeter, District 10, and S. W. McClaren, Jr. District 8.

The Texas Group is meeting with Congressman Bob Poage to discuss the cotton situation. The Texas Group returned Wednesday.

OES Installs New Officers At Masonic Lodge

The masonic lodge room was decorated with red and white gladiolas, white magnolias and red roses for the public installation service held by the Order of the Eastern Star Chapter No. 553 Saturday evening.

In an altar ceremony preceeding the installation Rita Frances Reid and Carol Ann Sanders lighted candles at the altar and Helen Grace Reid presented the Bible. The girls were gowned in white formals. Floor baskets of red and white gladiolas were placed on either side of the satin covered altar, a gift of Mrs. Gladys Leeman of Ft. Worth. Mrs. Cox gave the musical prelude and Mrs. Blanton sang "Prayer Perfect".

Mrs. Carrie Kuehl, installing matron, Alamae Orndorff, Giddings, installing chaplain, Maydee Hutcherson, Palestine, installing marshall and Mary Houston, installing organist formed the installation for the following new officers: Grace Reid, Worthy Matron, Dean White, Worthy Patron, Mable Dodson, Associate Matron, R. P. Williams, Associate Patron, Virginia Sanders, Secretary, Johnnie Lee Richards, Treasurer, Jewel Williams, Conductress, Maud Ryan, Associate Conductress, Stella Brock, Chaplain, Irma Dodson, Marshall, Mary Houston, Organist, Roberta Bowling, Adah, Myrtle Keith, Ruth, Doris Gamble, Esther, Earline Moore, Martha, Edith Jones, Electra, Annie Longmire, Warder, and George Jones, Sentinel.

Mrs. Francis Cox was guest pianist and Mrs. Lorene Blanton of Waco was guest soloist.

Mrs. Grace Reid, Worthy Matron, gave her address to the chapter and Mrs. Blanton sang "He". This was followed by a welcome from the Worthy Patron, Dean White.

Mrs. Gertrude Harsha, Mrs. Maud Ryan, Mrs. Irma Kelly, Mrs. Winifred Allen and Mrs. Annie Longmire were hostesses for a reception that followed the ceremony.

Mr. and Mrs. Tommy Thweatt and son of Freeport are visiting his parents, Mr. and Mrs. Gilford Thweatt in Maysfield.

Moves out in a single sweep of motion

... Chevrolet with Turboglide!

Chevy's come up with the newest, sweetest, smoothest automatic drive—Turboglide. It's the first and only triple-turbine transmission!

Turboglide is something really new and different in automatic drives. In the first place, there's only one forward-speed position on the control panel. There's no "Low" needed.

Turboglide handles everything with the oil-smooth action of triple turbines. You travel from a standstill to top cruising speeds with never a lurch or lag to mar your motion.

When you see a steep downhill stretch ahead, you set the selector at "GR" (Grade Retarder) and Turboglide helps slow you down.

Try Chevy's new, nothing-like-it automatic drive. It's optional at extra cost—and worth it.

Reception Honors Miss Russell Bride-Elect Of J. J. Petrey

Arrangements of spring flowers and minature bridal dolls decorated the educational building at the First Baptist church Tuesday afternoon for a reception honoring Miss Carolynn Russell, bride-elect of J. J. Petrey.

Mrs. Howard Petrey, Mrs. Aubrey F. Russell and Miss Russell formed the receiving line, with Miss Jane Russell handling the guest book.

The brides chosen colors were used in the serving table centerpiece which was formed with a white panama hat edged in blue nylon lace. A blue hat band ended in a bow and three streamers inscribed with the couples names and wedding date. White gladiola floretts edged the hat band and rolled white gladiola corsages were placed on the hat brim. The table was covered with a white linen cutwork cloth.

Gifts were displayed in the cradle roll room on white linen covered tables placed in a fan shape. A bride doll and pastel shaded spring flowers decorated the center table.

Misses Ann Hinyard, Nancy Lawrence, Theodora Henderson, Jane Henderson, Barbara Macon, Elizabeth Newton, and Joyce Edmonds assisted in serving fruit punch angel food cake squares and mints to the 150 guests.

Hostesses for the reception were Mrs. Guy Chandler, Mrs. Gillis Graham, Mrs. Alvin Heft, Mrs. Narvie Caperton, Mrs. W. M. Fannin and Mrs. J. H. Angell.

Miss Anne Hinyard Albert Thomas Uhr Marriage Revealed

Mr. and Mrs. C. W. Hinyard announce the marriage of their daughter Anne to Albert Thomas Uhr, son of Mr. and Mrs. A. D. Uhr of San Antonio, on January 26th at San Antonio.

Mrs. Urr is a graduate of Yoe High School and a senior student at SWTSTC. At present she is in charge of the girls summer recreation program in Cameron.

Mr. Uhr is a graduate of North East High School in San Antonio and of San Antonio Junior College. He will receive his degree at SWTSTC at the end of the summer.

At the end of the summer recreation program Mrs. Uhr will join her husband in San Marcos where he has a position as coach at San Marcos Academy.

Reception Will Honor Modesetts

Mr. and Mrs. I. V. Wise will have an open house at their home near Hanover for all the friends and relatives of her parents, Mr. and Mrs. J. C. Modesette, on their 50th wedding anniversary.

The Modesettes' sons, Harley Modesette, West Plains Missouri, and Olen Modesette, Houston, will be home for their parents golden wedding annivesrary.

Mr. and Mrs. Modesette were married in Tracy and have lived in Milam county all their married years.

Surprise Party Fetes John Senkel

Mrs. John Senkel gave a surprise birthday party for her husband Monday evening at their home. Coffee and cake were served to the honoree and guests, Mr. and Mrs. Fritz Senkel, Mrs. Albina Henry and Grandma Meier.

Provazeks Hold Family Reunion Sunday At Simon George Hall

The Provazek family gathered from as far away as California for a family reunion here Sunday at Simon George Hall.

All nine brothers and sisters and their families enjoyed the bar-becue dinner and covered dishes prepared by the women in the family. This event is looked forward to every four years when John Provazek visits from California.

Family members attending were: Charlie Provazek of Temple and his family; Mr. and Mrs. Harold Buffington and daughter from Temple; Mr. and Mrs. Adolph Provazek, Dallas; Mr. and Mrs. Rudy Tyrock, Baytown; Mr. and Mrs. Joe Kubachek and family, Temple; Mr. and Mrs. J. D. Provazek, Temple and Mr. and Mrs. Willie Provazek and daughter, Temple. Mrs. Rosie Ermis from Jourdanton and family; Mr. and Mrs. Lydmil Ermis and sons, Jourdanton and Mr. and Mrs. Dave Bronder and sons, San Antonio;

Also, Mrs. Francis Myskh from Pleasanton and her family; Mr. and Mrs. Leroy Orsag, Austin; and Mrs. Arnold Orsag and daughters, Buckholts. Mr. and Mrs. Rudolph Kamenicky with their children, Mr. and Mrs. Julius Kamenicky and sons, Sherman; Mr. and Mrs. Elmo Erland and children of Dallas; Mr. and Mrs. Ed Tyrock, Dallas and Mr. and Mrs. R. B. Kamenicky and children from Temple. Mr. and Mrs. R. D. Provazek; Mr. and Mrs. Bill Evard and son, Mrs. James Havelik and Mr. and Mrs. Melvin Provazek and children all from Cameron, Mr. and Mrs. L. D. Provazek of Austin.

Moving picutres were taken during the day to record the event for members of the family who could not attend.

Three Arts Club Elect New Members

Mrs. Don Humble, Mrs. Earl Pearson and Mrs. Jimmy Wiggs were elected to the Three Arts Club at a special meeting in the home of Mrs. Niley J. Smith, last week.

During the business meeting plans for next years program were discussed.

Mrs. Smith served light refreshments of cokes, sandwiches and cookies to the group.

Lynch-Fikes Reunion Planned For Sunday

The annual Lynch-Fikes reunion will be held Sunday at the Garland Fikes home in Pleasant Grove, near Rosebud.

A picnic dinner is planned for the families and friends. Last year about 100 people attended the reunion.

Miss Mary White and Mrs. Dorcas Chewning of Dallas spent Saturday night and Sunday with Mrs. Vina White.

SCS Advises Control For Weeds, Grasses In Early Season

Spcial effort should be made to control competing weedings and grasses on pastures and waterways, according to Soil Conservation Service personnel of Bartlett.

This is true for all areas newly seeded or sodded to desired permament grasses. Most newly seeded and sodded grasses are on disturbed areas or planted on well prepared land formerly in cropland. This first growing season is highly important to their survival of an adequate cover.

Cultivation or mowing for weed control will eliminate all possible immediate competition for plant food and sunlight, and consequently moisture competition during summer months.

First oil well in the U. S. was built in Titusville, Pa., in 1859.

More salt is present in the Atlantic than in the Pacific.

Milam County's FARM SCENE

Crop Prospects Generally Good With Exception of Canteloupes

By J. D. Moore, County Agent

Crops in general are good. Too much rain for canteloupes but good for corn, maize, sudan grass and other summer crop prospects. Sweet corn is ready to eat and prospects are good for field corn. Some corn in silk and tassel stage. June corn could be planted if seed can be found.

Most of the cotton acreage was planted by May 31 except fields located in low land where water was slow to leave. Four leaf cotton examined last week was infested with flea hoppers. These insects feed on tiny square forming buds causing the tiny square to turn brown and die. Most farmers who do not examine their cotton for these insects and apply poison when needed, later find they have no cotton squares and bolls on the lower limbs of their cotton. Toxaphene, Dieldrin, etc., should be applied.

Worms And Plant Lice

Worms that bite, chew and eat, regardless of whether they are army worms, cut worms, canker worms, or measuring worms can be controlled. Toxaphene, DDT or Dieldrin will do the job. Quite a lot of damage has been done to shrubbery, trees and flowers in the home lawns by these worms. Four level tablespoons of 50 percent DDT powder mixed in 1 gallon of water is an effective control for most worms.

Plant Lice (sucking insects can be found on the tender growing tips of Japonica's and other shrubbery. Malathion used as a spray at the rate of 1½ teaspoons per 1 gallon of water will control these insects. A second application is usually necessary for control. These insects have an unusual life history. The first generation in the spring hatch from eggs laid the previous fall. This first generation are all females. These females give birth to young all the summer thereby causing tremendous numbers to be present seemingly over-night. The last generation of these insects born in the fall are both males and females. This last generation is able to produce fertile eggs that stay dormant through the approaching winter. The next spring, the unusual life cycle is repeated.

Canteloupes And Sweet Potatoes

Commercial canteloupe growers know that too much moisture is a forerunner to rust, mildew, plant lice and other troubles. Now is the time to apply a combination fungicide and insecticide to canteloupe plants as a preventive. Once trouble starts, it is difficult to stop. Lindase-Diathane combination is available locally. This material should be applied at least 3 times at 5 to 7 day intervals. New materials such as Zineb, Karathane and Captan are more effective, a little higher in cost and in most cases will have to be bought by special order. These new materials are more commonly used in the valley where humidity and moisture conditions are usually high.

It has been a long time since we had more favorable conditions for setting sweet potato plants. Supplies are short, good plants are available and much land in Milam county is suited to sweet potato production. An application of Dieldrin at the base of the sweet potato plant applied about the time the plant is ready to form small potatoes will help cording to tests run by the Experiment Station.

The Stars and Stripes has flown over West Point continuously since the academy was built.

Originally the dollar was subdivided into halves, dimes, and cents; there were no quarters.

Fields Dry Out For Planting But Low Terrace Wet

Fields were dry for plowing while some bottomland was too wet for planting, according to J. D. Moore, county agent.

He says in his weekly report to the U. S. Dept. of Agriculture that low areas on terraced fields also were to wet for planting.

Oat Harvest Begins

In the small grains, combining started the oat harvest and hay baling continued. Excess rains, he said, may lower the grade on oats and oats hay.

Corn growth was excellent, Moore wrote, with some corn tasseling. The sweet corn harvest began last week, he added.

The cotton scene was much improved over previous weeks sa county farmers planted most of their cotton and saw much of it up to a good stand, Moore emphasized.

Thrip damage is prevalent in most cotton, he pointed out, recommending that farmers apply insecticides immediately.

Half Crop Tomatoes Due

He forecasts about a half crop of tomatoes due with ripe tomatoes getting rough treatment early in the season.

But livestock conditions remain sound, he went on. Some pastures need supplementary grazing pastures until Bermuda grass has time to grow.

County 4-H Girls To Give Dress Revue At Simon-George

By Alice G. Hughes, HD Agent

The Milam county girls 4-H Club Dress Revue is to be in the Simon George Hall in Cameron, at 8 p.m. June 8. Girls from all 4-H clubs in the county will participate.

Ribbons will be awarded according to appearance and workmanship. The girl 14 years or over winning First place, will be the county representative to the District 8 Dress Revue. The District revue is to be held in Stephenville, August 21. The top district contestants will model their garments at the State Fair in Dallas next October.

Milam county 4-H Club boys and girls will have a Fun Night 8 p.m. Saturday, June 8, at Simon George Hall in Cameron.

Games are being planned by the St. Anthony, County-Wide and Buckholts 4-H Clubs. All 4-H club members, parents and friends are invited to attend.

There will be no admission. Each person is to bring half dozen cookies. Drinks will be furnished.

4-H Club Dress Revue ribbons will be awarded as part of the program.

Nancy Jane Lawrence Receives BS Degree

Miss Nancy Jane Lawrence, daughter of Mr. and Mrs. W. H. Lawrence, received her BS degree in elementary education from Sam Houston State College in Huntsville last week.

Miss Lawrence was active in the Association of Childhood Education and a member of Future Teachers of America.

SAVING YOUR SOIL

By Your Soil Conservationist

There's something infectious about a good piece of work that does properly the job for which it was intended, according to Gilbert Kretzschmar, chairman of the Board of Supervisors of the Little River - San Gabriel Soil Conservation Distirct.

Such is the case in the story brought to the Soil Conservation Service office in Bartlett, by district cooperator Roman Michua. Michua lives south of Granger, on his farm in Circleville Community.

"I did like you Soil Conservation men say," Roman stated, "But up till now I didn't believe it. Now I know you were right."

Four years ago when I built my waterway you told me, Roman, for your own water this waterway should be 70 feet wide and so deep. On a big rain you will have some outside water jump onto your land. You should figure an additional 30 percent carrying capacity in your waterway to take care of this. That made the waterway 90 feet wide.

We staked the waterway out and I shook my head and said, "That looks lik ehalf my farm. All I want, you know, is just a waterway for my terraces."

You men said to me; "Roman, put this waterway in just like this. Get a good cover of Bermuda grass, then build good big terraces and keep them built up every year. You will see the day when you'll walk over here in the rain or right after it and this waterway will be full of water from ridge to ridge, but it willl do the job and you'll be mighty proud.

You'll see damage in every direction from you that could have happened to you, but didn't. You'll like it then. You may even want to make it a little bigger."

I stopped by here to tell you that that day is now, Roman finished. It happened just that way, you know, and I feel kinda good.

USMC Announces New Recruit Policy

It was announced today by M-Sgt. John H. Deaton, Marine Corps recruiting station, Austin, that a new policy concerning the two-year enlistment program has been adopted.

Men who are enlisted in the two-year program are not required to participate in weekly drills or attend summer camp after completing two years of active duty.

This gives all men opportunity to fulfil their military obligation and be able to complete their education or resume civilian positions without further interruptions Upon completion of two years of active duty they would then be transfered to an inactive status and serve the remainder of their obligated service in the inactive reserve.

Complete information may be obtained on the new program by contacting the nearest Marine recruiting station.

Disease Total Drops To 24 Cases Here

Total number of communicable disease dropped to 24 this week in Milam County, according to Dr. John Bryson, unit health director.

Included in the count are: 3 strept throat, 15 measles and one gonorrhea, Dr. Bryson said.

Easter Seal Sales Reach Record $935

Milam County Easter Seal Sales went over the top for the first time, according to Richard Williams, treasurer of the drive.

Mrs. J. R. Joley, Rockdale, chairman of the drive, congratulated all Milam County for contributing $935.68 in the drive for $850. The drive lasted from March 21 to May 21.

No direct solicitation was conducted, Williams said.

New WAC Platoon To Organize Soon

The platoon, composed entirely of local women, will be enlisted in Dallas and travel as a group to Fort McClellan, Alabama for basic training.

Members of this platoon will be eligible to apply for specialized courses in many career fields under the Army Technical School program Captain Stark stated.

Among those open to women are stenography and machine accounting at Fort Benjamin Harrison, Ind. Several medical and dental courses, including dental assistant, medical laboratory, physical therapy and x-ray procedures, are given at Fort Sam Houston.

Announcement was made today by Captain Mary E. Stark, Women's Army Corps Recruiting Officer for this area, of plans to enlist an all-Texan WAC platoon on June 18th.

A Tribute --

To Friendship!

Through the years, as we learn to evaluate people and personalities, we find that enduring friendships are one of life's precious jewels. What is more comforting than a treasured visit with someone to whom you can be just your natural self! Do you know what the definition of a friend is? It is a person who knows all your faults but still likes you, in spite of them. None of us is free from faults. That is only human. So we gravitate to those who like us and who, in turn, we think rather special. Let's cherish our friendships and make the most of them—lest auld acquaintance be forgto!

WE SALUTE OUR TOWN!

Milano Chamber of Commerce Holds Community Meeting Monday Night

By Mrs. Dan Robinson

The Chamber of Commerce held a meeting at the Milano high school Monday night to discuss possibilities of getting a fire truck. Everyone in Milano and surrounding communities were urged to come to the business meeting and get-to-gether.

Rev. Richard Spim preached his last sermon at Milano Methodist church Sunday. He will go to Gause as full-time pastor for another year.

Jim Baggett who has been in a Temple hospital spent a few days at his home here. He is showing some improvement, and has gone back to the hospital where he will be sometime yet.

Billy Earl Hardcastle who is with the Army stationed at Nashville, Tennesse, came after his wife and baby Thursday. They left Saturday morning for the return trip. Mrs. Hardcastle and baby will come back to Milano when Billy Earl is sent overseas. He is in a Navy school.

Joe Mack, Charlotte Ann Lake and Gloria Parish of Houston were weekend guests in the nome of Mr. and Mrs. Ray Corbin.

Mr. and Mrs. Harold Loewe and children of Castroville spent several days here with her grandparents, Mr. and Mrs. Asa McGregor.

Mrs. Maggie Miller spent a few days lst week in the home of a daughter in Cameron.

Mr. and Mrs. Wallace Pierce of Austin was visiting here last week with his father and sister, M. J. Pierce and daughter, Marylene.

We are glad to see Postmaster John Youkum back on the job after several days at the hospital.

Mrs. Frank Gipson and little son of Houston are here for a visit with her parents, Mr. and Mrs. Joe Bullock. Mrs. Gipson will attend summer school at Belton.

Mrs. Pearl Williams spent the weekend in Houston with relatives. She came home driving a new car.

Mr. and Mrs. Jack Wilkerson, Jr., spent the weekend on the coast fishing and sight seeing.

Mr. and Mrs. Ronald Westbrook of Waco spent the weekend here with his parents, Mr. and Mrs. Elbert Westbrook.

Douglas Smith of Houston is here for a visit with his grandmother, Mrs. Lela Smith and sister, Carolyn.

Mr. and Mrs. Barkley Jeter and Mr. and Mrs. Billy George Miller left Friday morning on a vacation trip. They plan to go to Denver Colorado, Mexico and several other places of interest. They will be gone about 10 days.

Mrs. Ray Corbin, Mrs. Fred James and Mrs. Curtis Miller made a business trip to Waco Friday.

Mr. and Mrs. German of Houston are here for a visit with her mother, Mrs. C. H. Ray.

Mr. and Mrs. Allen Kirkland of San Angelo are guests of their many friends here.

William Russell of Ft. Worth was visiting his parents here last week.

Mrs. Speck Elliott and Bobby were visiting her mother, Mrs. Maggie Miller here Friday who had been sick but is better now.

Rev. and Mrs. Ellis and children left Monday for a vacation in Chicago and other places of interest. They plan to be gone two weeks. His church will be filled by a visiting pastor while he is away.

Mrs. Eldon Ball and children of Elgin were visitng her parents here last week. While she was here, she and her mother, Mrs. Elbert Westbrook, drove to Waco to visit in the home of Mr. and Mrs. James Brewer and family. Other visitors in the Westbrook home were Mr. and Mrs. Ray Sewell of Chriesman.

Mr. and Mrs. Battle of Houston spent the weekend here with his parents, Mr. and Mrs. Dudley Battle Sunday. They all went to San Marcus for the school exercises.

guests of Mr. and Mrs. R. K. Fontaine over the weekend.

M-Sgt. and Mrs. John Atkinson of Randolph AFB San Antonio visited her parents, Mr. and Mrs. Frtiz Patzke and Sgt. Atkinson's mother and family, Mrs. W. A. Atkinson over the weekend.

Mr. and Mrs. Ed White have returned from a visit with her parents in Louisianna.

June Dairy Month

June is Dairy Month. Plentiful supplies of nutritious dairy foods place them at the top of the USDA's June Plentiful Foods list. Buy them often in June.

News From Yarrellton

By Mrs. Lena Russell

Drew Barrett, son of Mr. and Mrs. John Barrett of Honey Cove, arrived Wednesday by train in Temple to visit his grandmother, Mrs. Jennie Barrett. His parents and little brother drove down over the weekend for a visit with Mrs. Jennie Barrett and Mr. and Mrs. Barbee Barrett and Narvel.

Brother and Mrs. W. M. Veal were Sunday guests in the home of Mr. and Mrs. Lois Salomon and family.

Mr. and Mrs. Jim Perkins of Calvert spent Sunday in the home of her father, Mr. Ed McCall and sisters, Dulce and Jud McCall.

Mrs. Dicky Scott and daughter of Austin and Miss Elane Fenney who has just completed her school year at Victoria were church visitors Sunday.

Mrs. Walter Burnett spent Sunday with home folks Mr. and Mrs. L. W. Klapka.

Mr. and Mrs. Charles E. Russell were Sunday afternoon visitors in the Haley Richerson home and with Mr. and Mrs. John McElwrath in Rosebud.

Frank Griffin was a Sunday visitor in the home of Mr. and Mrs. John Lott.

Mr. and Mrs. Bud Caddell visited Mrs. Stella Foster Thursday afternoon.

Mrs. Leona Griswold was called to Cameron Saturday to be with her mother, Mrs. Mary Chapman who is ill. She is reported to be improving.

Mrs. Loma Parker and son have returned home after visiting here and in Abilene with her parents, the C. E. Russells.

Vacation Bible School Plans Closing Program

The Czech-Morviam Bretheren Church of Buckholts will have their closing program for vacation bible school Friday night at 8 p.m. at the church, it was announced by Mrs. John H. Mitchell, bible school director.

Instructors for the vacation school were Mrs. Alvin Stalmach, Nursery, Mrs. Ann Gresak, Beginner, Mrs. Jack Ruzicka, Primary, Mrs. Anton Svetlik, Jr. Girls and Mrs. Adolph Kretschmar, Jr. Boys.

John Adams was the first U. S. ambassador to England.

Jerome Canadys' Visiting Family In Jones Prairie

Mrs. S. S. Hickman

Mr. and Mrs. Jerome Canady of New York City, New York, are visiting his parents, Mr. and Mrs. O. T. Canady. Mr. Canady is a patient in a Temple hospital but expects to come home soon.

Mr. and Mrs. Maye Burnett and children, Sandra and Paul and Mr. and Mrs. Bradley Burnett of Beaumont were guests of their parents, Mr. and Mrs. W. B. Burnett, during the latter part of last week.

Mr. and Mrs. William McNeil of the Baptist academy of San Marcos were Thursday afternoon guests of Mrs. J. A. McKinney and Miss Ethel McKinney. The McNeils are members of the academy faculty.

Sunday dinner guests of Mrs W. J. Fontaine were Rev. and Mrs. Comer Alden, Rev. Mr. Alden is pastor of the Maysfield Methodist church.

Mrs. Myrtle Bailey of Hearne spent several days of the past week with Mr. and Mrs. Julian Burnett.

Mrs. S. S. Hickman had as her Sunday dinner guests, Mrs. J. A. McKinney, Miss Ethel McKinney and Rev. Melburn Sibley.

Mr. and Mrs. Bill Fonaine and son, Billy of Beaumont, were

miles, to the point of intersection
with the East ROW of a county
road;
THENCE along the East ROW of
said county road, the center line
of which runs N. 8 deg. 30' for a
distance of approximately .63
miles to a point of intersection
with the South ROW of a county
road;
THENCE along the South and
East ROW of said county road, as
same curves or turns, the center
line of said county road having
the following approximate courses
and distances: S. 81 deg. 30' E.
.815 miles; N. 1 deg. 30' E. .42
miles; S. 81 E. .12 miles; S. 75 E.
.03 miles; S. 81 E. .49 miles; to a
point of intersection with the East
ROW of a county road;
THENCE along the East and
South ROW of said county road as
same curves or turns, the center
line of said county road having
the following approximate cours-
es and distances: N. 1 deg. E. 424
miles; S. 81½ E. .03 miles; S. 82
E. .35 miles; N. 71 deg. 30' E. .14
miles; S. 81½E. .49 miles; to a
point of intersection in the East
ROW of Farm to Market No. 1331;
THENCE N. 10 E. approximately
.815 miles to the point of intersec-
tion with the South ROW of a
county road;
THENCE along the South and
West ROW of said county road as
same curves or turns, the center
line of said county road having
the following approximate courses
and distances: S. 81½ E. .358
miles; N. 59 E. .458 miles; N. 57
E. .35 miles. S. 31 E. .571 miles;
N. 59 E. .183 miles; S. 82 E. .271
miles; N. 69 E. .029 miles, to the
point of intersection of the South
ROW of said county road with the
common boundary line of William-
son and Milam Counties; Texas;
THENCE in an easterly direction
along the South ROW of said coun-
ty road a distance of approxima-
tely 1.42 miles to a point where
said road turns in a northerly di-
rection, said point being the point
where the South ROW intersects
the East ROW of said county road
at the turn and also being a point
in the North line of the Mary Mer-
kord tract, containing approxima-
tely 74 acres of land;
THENCE in an easterly direction
along the North lines of the Mary
Merkord 74 acre tract and the T.
S. Henderson tract, containing ap-
proximately 104 acres of land, to
the Northeast corner of the T. S.
Henderson 104 acre tract;
THENCE in a southerly direction
along the East line of the T. S.
Henderson 104 acre tract to the
Northwest corner of the M. Heine
tract containing approximately 50
acres of land, said point being al-
so the S. W. corner of the Edna
Felton 300 acre tract;
THENCE in an easterly direction
along the North line of the M.
Heine 50 acre tract to the North-
east corner thereof, said point al-
so being the N. W. corner of the
H. Schwettmann tract, containing
approximately 182 acres of land;

miles; N. 38 E. .23 miles; N. 58
E. .13 miles; N. 39 E. .14 miles;
N. .13 E. .05 miles; N. 44 E. .42
miles; S. 19 E. .74 miles; to a
point of intersection with the
South ROW of a county road;
THENCE along the South and
East ROW of said county road as
the same curves or turns, the cen-
ter line of said county road having
the following approximate courses
and distances: N. 60 E. .45 miles,
N. 43 E. .12 miles; S. 82 E. .69
miles S. 80 E. .28 miles; S. 84 E.
.25 miles; N. 9 E. .34 miles; S. 83
E. .89 miles; N. 29 W. .32 miles;
N. 68 E. .29 miles; N. 32 W.
.19 miles; N. 27 W. .13 miles, to
a point of intersection with the
South ROW of a county road;
THENCE along the South and
East ROW of said county road as
same curves or turns, the center
line of said county road having
the following approximate courses
and distances: N. 60 E. .34 miles; S.
84 E. .97 miles; N. E. .31 miles;
S. 81 E. .20 miles, to the point of
intersection of said South ROW
with the East line of the Jose Ac-
osta Grant, or to a point where
the said South ROW would inter-
sect same if extended in a
straight line;
THENCE in a northerly direction
along the East line of the Jose
Acosta Grant to a point where it
intersects the South bank of the
San Gabriel River;
THENCE in an easterly direction

lines to the POINT OF BEGIN-
NING.

STATE OF TEXAS
County of Williamson

Know All Men by These Presents:

I, W. F. Forest, do hereby certi-
fy that I prepared these Field
NOTES FROM Land Office Maps
and Road Maps, from the Map of
the Brushy Creek Water Control
and Improvement District No. 1,
and from the Field Notes of the
Brushy Creek W.C.&I. District No.
1, and the Williamson County
Water Control and Improvement
District No. 1.

TO CERTIFY WHICH, WITNESS
my hand and seal at George-
town, Texas, on this the 28th
day of January, 1957.

(Seal) W. F. FOREST,
Registered Public Surveyor
Number 101,
Deputy County Surveyor,
Williamson County, Texas.

FURTHER TAKE NOTICE that
the purpose of the organization of
named and known as "San Ga-
briel River Water Control and Im-
provement District No. 1 of Willi-
amson, Burnet, and Milam Coun-
ties," and is to be organized un-
der the provisions of Section 59
of Article XVI, of the Constitution
of the State of Texas, and pursu-
ant to the statutory laws of the
State of Texas thereunto enabling,
particularly Chapter 25, Acts of
the 39th Legislature, 1925, as
Amended.

FURTHER TAKE NOTICE that
the prupose of the organization of
the District shall be for and in-
clude all works, plants, facilities
and appliances in any and all
manner incident to, helpful or
necessary in the controlling, stor-
ing, preserving and distribution of
its waters and flood waters, the
waters of its rivers and streams,
for irrigation, power and all other
useful purposes, the reclamation
and irrigation of its arid, semi-
arid and other lands needing ir-
rigation, the reclamation of
drainage, the conservation and
development of its waters, and the
preservation and conservation of
all such natural resources of the
State; and to control, abate and
amend any shortage, or harmful
excess of water and to protect,
preserve, and when necessary, re-
store the purity and sanitary con-
dition of waters within the State
of Texas.

FURTHER TAKE NOTICE that
without limitation upon the gen-
eral powers of the District above
set forth which may be employed
in the future, the District's first
project will be to provide all
works, facilities, plants and appli-
ances incident to, helpful or nec-
essary in controlling, storing, pre-
serving and distributing the wa-
ters of the San Gabriel River and
its tributaries in such manner as
will result in the preservation and
conservation of the natural re-
sources of the area and the con-
trol or abatement of harmful ex-
cesses of water. In this connection
the general nature of the work to
be done is the construction of a
series of dams and reservoirs
within the limits of said district
with the aid and assistance of the
United States Department of Ag-
riculture, Soil Conservation Serv-
ice.

AND FURTHER TAKE NO-
TICE that according to the afore-
said Petition, there exists a nec-
essity for the organization of said
District and for the accomplish-
ment of its first project, in order
to preserve, conserve and put to
beneficial use the natural resourc-
es of the area and in order to
control and abate harmful excess-
es of water; that the purposes of
the proposed District are practic-
able and feasible due to the na-
ture of the soil and contour of
the land within the area of the
proposed District, that the Dis-
trict and its project will serve and
be a benefit to all of the land ly-
ing within said District and will
be a public benefit and utility;
that the resulting benefits to the
land, landowners, and citizens of
the District will greatly exceed
the costs; that the topography of
the land presents no feature
which would make the project
and its consummation impractic-
able from an engineering stand-
point; that the services of the en-
gineers of the United States De-
partment of Agriculture Soil Con-
servation have been secured in
connection with the planning of
the proposed District's first pro-
ject; that upon the estimates,
plans, specifications and advice of
the engineers of the United States
Soil Conservation Service, the
aforesaid Petition represents that
a complete system of soil conser-
vation dams and reservoirs may
be provided within the District as
its first project, and said engi-
neers' estimates, plans, specifica-
tions and advice support the pur-
pose, utility, feasibility and neces-
sity thereof.

AND FURTHER TAKE NO-
TICE that engineers of the United
States Department of Agriculture,
soil Conservation Service, have
estimated that the cost of the Dis-
trict's first project to the United
States Department of Agriculture
Soil Conservation, to be approxi-
mately $6,000,000.00, which includ-
es all of the actual construction
costs, and it is estimated that the
costs to the proposed District will
be approximately $75,000.00

UPON THE FILING AND PRE-
SENTATION of the aforesaid Pe-
tition, the State Board of Water
Engineers, on the 15th day of
May, 1957, issued its order calling
the hearing herein noticed and
provided that upon the day and
at the time and place set for said
hearing, any person whose land
is included in, or would be affect-
ed by the creation of, such District,
may appear and contest the crea-
tion thereof and may offer testi-
mony to show that such District
is, or is not, necessary, would, or
would not, be a public utility, and
would not, be feasible and practic-
able. The State Board of Water
Engineers further ordered and di-
rected that Notice of such hear-
ing be issued, posted and pub-
lished as required by law.

The Sheriffs of Williamson, Bur-
net and Milam Counties, Texas,
are therefore COMMANDED to
make service of this Notice, of
which an Original and two copies
are furnished to the Sheriff of
Williamson County, and an origi-
nal and two copies to the Sheriff
of Burnet County, and an original
and two copies to the Sheriff of
Milam County, by causing a copy
thereof to be posted at the Court-
house door of his respective coun-
ty, and on the bulletin board used
for posting legal notices in such
county, at least (15) days prior
to the date of such hearing. The
Sheriffs of Williamson, Burnet and
Milam Counties are further direct-
ed to cause a copy of such Notice
to be published in a newspaper of
general circulation in his county
and of general circulation in the
area of the proposed District.
Publication of Notice, as afore-
said, is to be accomplished once
a week for two consecutive weeks,
the first publication thereof to be
at least twenty (20) days prior to
the date of hearing.

Each of the above Sheriffs is
further Commanded to herein fail
not and to make due return of
service, as above directed, with
copy attached to the original No-
tice furnished for such purpose,
and the Sheriffs of Williamson,
Burnet and Milam Counties are
to attach affidavit of publication,
which returns are to be made to
this Board prior to the 17th day
of June, A. D. 1957.

GIVEN under our Hands and
Seal of Office this the 15th day
of May, A. D. 1957.

STATE BOARD OF WATER
ENGINEERS,
STATE OF TEXAS
(SEAL)

R. M. DIXON,
Chairman.
H. A. BECKWITH,
Member.

ATTEST:
Ben F. LOONEY, JR.
Secretary.

THIS NOTICE is issued and
given by the undersigned pursuant
to the aforesaid Order and by au-
thority of law.

IN WITNESS WHEREOF, I
have hereunto signed my name of-
ficially and affixed hereto the seal
of the State Board of Water En-
gineers of the State of Texas,
this the 15th day of May, 1957.

(Seal) BEN F. LOONEY, JR.
Secretary, State Board of Water
Engineers of the State of Texas.

5 Cameronites Attend Dallas Fall Market

Abe Marsh, Mr. and Mrs. W.
L. McIntosh and Mr. and Mrs.
E. W. Goldfarb attended the
Greater Dallas Fashion Market's
fall and back-to-school market
week in Dallas, May 26-31.

Exhibits were shown in
the Adolphus, Baker and Dallas
Hotels, and in the Merchandise
Mart.

The Greater Dallas Fastion
Market is composed of four mar-
ket associations, American Fas-
hion, National Fashion, Southwest
Children's Wear, and the Dallas
Fashion Center, with a combined
membership of more than 1000
salesmen showing 3000 lines of
women's and children's apparel.

Personal Mention

By Mrs. Flora Mikulec

Phone Your Personals To 282

Mr. and Mrs. Jerry Matula spent the weekend visiting in Houston and Galveston. They attended the wedding of a nephew in Houston Saturday night.

— PM —

Tom Collins and Leon Beale left Sunday evening for Seminole, Texas, where they will be employed during the summer.

— PM —

Mrs. Dorothy Abel, 1402 N. Crockett, was honored May 28 with a birthday dinner in the Temple home of Mr. and Mrs. Eugene May.

— PM —

Mr. and Mrs. J. B. Hertenberger and sons, John Bea, Ray Carroll and Glenn Arland of Texas City, were weekend guests in the home of his parents, Mr. and Mrs. Rudolph Hertenberger, Rt. 1.

— PM —

Mr. and Mrs. T. A. Crawford spent the weekend in Austin with Mrs. Crawford's parents, Mr. and Mrs. Henry Hoes. Mrs. Hoes has been ill for sometime now. She is a former Cameron citizen.

—PM —

Miss Bettye Marek and Mrs. J. W. Marek, Sr., of Meeks, spent Monday visiting in the home of Mr. and Mrs. J. C. Marek, 1201 W. Main.

Clem and Nolan Woleb of Texas City visited relatives in Cameron over the weekend. Their nephew, Clifford Woleb, returned home with them for a weeks visit.

— PM —

Daniel Hejl left Thursday for California where he will be employed. He is the son of Mr. and Mrs. J. C. Hejl, 1501 N. Travis.

— PM —

Sunday over-night guests in the home of Mr. and Mrs. A. E. Jones were Mr. and Mrs. John White and daughter, Ann of Enid, Oklahoma. They were enroute to Mexico City where Miss White will attend Mexico City College during the summer session.

— PM —

Visiting here with relatives and friends are Mrs. Claudia Hill and sons, Tig and Bobby of Abilene.

— PM —

Mr. and Mrs. George Tepera and children, George Wayne and Dennis of Houston, spent the weekend visiting here with their parents, Mr. and Mrs. Roman Marek and Mrs. Frances Tepera.

— PM —

Corporal William Ray Eaton who is stationed with the U. S. Marines at Camp Elliot, California, is visiting here with Miss Evelyn Love and Mrs. Lesley McDonald.

— PM —

Lt. and Mrs. Glenn Wise have been visiting his parents, Mr. and Mrs. I. V. Wise near Hanover. Lt. and Mrs. Wise are living in Harlengin, Texas.

— PM —

A group of ladies which included, Jimmie Aigner, Tittle Newton, Dollie Akers and Berniece Lester, recently returned from a fishing trip to Buchanan Lake. They reported a catch of 60 fish which averaged 3½ pounds each.

— PM —

Mr. and Mrs. G. C. Barmore and Miss Joan Barmore and her three girlfriends who recently graduated from Pasadena high school, will spent the coming weekend visiting here in the home of Mr. and Mrs. William North, 701 N. Houston.

— PM —

Mr. and Mrs. Bartley Braden have enrolled as Junior students for summer school at Sam Houston. Both plan to enter the teaching profession.

— PM —

Mr. and Mrs. Sam McDermott, Mrs. Alvin Nolte, Mrs. Make McDermott, Mrs. O. B. Harden and Rebecca Harden all went to Texas City this weekend to attend Madeleine McDermott's graduation exercises.

— PM —

Mr. and Mrs. August Knipp, Billy Knipp and Miss Cathy Schofield spent Sunday visiting in the Houston home of Mr. and Mrs. E. V. Blissard. Miss Barbara Jean Blissard returned to Cameron for a weeks visit.

RESOLUTION AND ORDER OF SPECIAL ELECTION

WHEREAS, the City Council of Cameron, Texas, deems it advisable to submit to the electors the question of whether or not an ordinance now in effect creating and defining parking meter zones in the City of Cameron, Texas, and providing for the installation, operation and maintenance of mechanical devices to regulate parking in said parking meter zones should be repealed;

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

1. That a special election be held in the City of Cameron, Texas, on the 16th day of July, 1957, at which election the following question shall be submitted by ballot title, to wit:

"An ordinance creating and defining a parking meter zone in the City of Cameron, Texas, and providing for the installation, operation and maintenance of mechanical devices to regulate parking in said parking meter zones."

2. That said election shall be held under the provisions of the Election Code of the State of Texas and other relevant statutes of said state and the charter and ordinances of the City of Cameron, Texas.

3. That said election shall be held at the City Hall in said City, and the following persons are hereby appointed officers of said election, to wit:

B. J. Matocha, Presiding Judge,
Dan Gunn, Judge
Mrs. John Ryan, Clerk
Mrs. R. W. Bennett, Clerk

4. That ballots of said election shall have written or printed thereon the following:

"FOR THE ORDINANCE"
"AGAINST THE ORDINANCE"

Concerning said ordinance, each voter shall mark out with ink or pencil one of the above, thus leaving the other as his vote on the question.

5. That a substantial copy of this resolution signed by the Mayor and attested by the City Secretary shall serve as proper notice of said election. The Mayor is authorized and directed to cause said notice and a copy of the ordinance to be published in the official newspaper of the City of Cameron, Texas, not less than thirty days prior to the date of said election.

Offered by Councilman Lincoln Mondrik

Passed and approved at a regular meeting of the City Council of the City of Cameron, Texas, on June 4, 1957, at which meeting a quorum was present.

Robert Weems, Mayor
Attest:
Wayne B. Wieser
City Secretary

John, Paul Garner Feted On Birthday

Mrs. W. H. Garner entertained twice last week for her sons on their birthdays.

Twelve guests enjoyed an outdoor party Friday celebrating John's eighth birthday. Refreshments of hot dogs, pink lemonade and birthday cake were served on the patio, with favors of bean shooters, mints and bubble gum.

Paul had twenty guests for his sixth birthday party Saturday. Favors of small dolls were given to each girl and bean shooters to the boys. Mrs. Garner served ice cream, birthday cake and pink lemonade to the group.

It takes 10 inches of snow to equal an inch of rain.

Get in the fine-car swim at the low Ford price!

America's favorite convertible is one of 21 Ford models for 1957

There's no need to pay a "fancy price" to enjoy fine-car luxury. Ford is lowest priced of the low-price three, yet offers values you'd expect only in cars costing far more!*

To start with, you can easily pay twice the money, and not find lines that can hold a candle to Ford's for lowness, loveliness, or just plain good taste.

But step inside. That's when you'll find the real evidence of Ford's quality!

And, on the way in, note that Ford offers door checks that hold doors open in either of *two* positions—for easy entrance or exit. A little thing. But, in a fine car, why not? Then, inside, notice how comfortable those plush, foam-rubber seats are. They'll stay that way. *And on long trips.* For they're scientifically contoured over non-sag springs. Your rear-seat passengers are treated extra kindly, too—with spring assists to help them open and close the doors—with the most leg room in Ford's field!

Fine cars are smooth—and that's another place Ford really shows its stuff!

Ford delivers its famous V-8 power smooth as a whisper. That's because only Ford takes the pains to electronically balance each engine *while running under its own power.* Not even the makers of the most expensive automobiles go this far to bring you super-smooth performance.

Ford rides fine-car smooth and quiet, too. You can thank the new "Inner Ford" for *that.* Ford, for instance, has a swept-back front suspension that actually "rolls with the punch" of every road bump.

Ford's rear springs *automatically* adjust to give the right ride for every road. And Ford *keeps* things quiet, with the most sound insulation in its field.

Fine cars are built to stay solid. So's Ford!

Ford has the only frame in its field to make use of rugged tubular steel beams. No car at the price offers so many roof-strengthening beams. Expensive cars aren't built of thicker body steel or with sounder engineering skill. Then, of course, in Ford you can have all the power assists and other conveniences found in fine cars. And they cost far less in Ford.* Yes sir! In every feature, every part, Ford is the fine car at half the fine-car price. Come in and see!

Get in on the fun and savings now in the new kind of **FORD**

*Based on comparison of manufacturers' suggested retail delivered prices
